BEDDING	If you are international we can provide bedding or you may bring pillows and pillowcases, sheets, 2 blankets or sleeping bag, and poncho. BUGS	Mosquitoes are common around kamp. You should bring non-aerosol insect repellent. Plan on long sleeves and pants at night or for hiking.
CLOTHING	Kamp clothes should be geared to warm days (between 75°F - 100°F) and cool evenings (50°F-70°F). MONEY	Many staff both American and International have found that prices in the US and in New York are not the same as at home and wind up spending much more money than they expected. Your financial situation is yours to control, but, just a fair warning that there are rather large stores in the area.
