

Kamp Kiwanis®

NY District Kiwanis Foundation, Inc.

A remarkable moment happened in 1968, when the Foundation and Kamp Kiwanis was officially founded. A Kiwanian paid \$1 to purchase and revive from the Kiwanis Club of Rome the summer camp property now known as Kamp Kiwanis.

Located in the foothills of the Adirondack Mountains

Kamp Kiwanis's residential summer camp program became a reality. Since 1971 Kamp Kiwanis has continuously been providing an outdoor learning opportunity to the economically disadvantaged youth of New York and in 1989 it proudly began serving both adults and children with special needs.

Kamp Kiwanis provides creative and immersive group programming in sports, outdoor recreation and the Arts. Kamp's programming is non competitive and has a heavy emphasis on character development, problem solving and relationship building. Kamp Kiwanis mainstreams all children whilst still ensuring each individual has the support and direction to learn, grow and play at their own rate.

With 10's of thousands of kampers served to date, Kamp Kiwanis strives to continue its long tradition of excellence. In doing so it will continue to foster positive growth and development for the youth and those with special needs residing here in New York.

Together as Kiwanians, serving one child and one community at a time.
