Kampers with Special needs

Kamp Kiwanis serves individuals with many forms of special needs and health impairments. This Kamp is programmed for high functioning adults. Please contact the Kamp to ensure that our facilities and health impairments.

Staff and Ratios

The staff is mainly comprised of college age international staff members from many countries as well as some from the United States. All staff members have been trained for a full week in how to interact with Kampers of all ages, in safety and in policy and procedure. Fully qualified lifeguards also work with and watch over your Kampers to ensure safety while at Kamp, in and out of the water. The staff is hired only after and interview, 2 reference checks and background checks have been completed. The staff to Kamper ratio is generally 1:2. Kampers may be assigned higher or lower ratios as needed.

Medical

A Registered Nurse is on site during sessions. In the event that a Kamper becomes injured or ill and needs further attention other than a stomach ache, bug bite, tic or a bandaid, we will make every attempt to contact the parent/guardian as soon as possible. Guardians are required to immediately pick up their Kamper if the Kamper is ill and can no longer stay safely at Kamp. This includes medical, behavioral, emotional, and psychological difficulties.
